

**CALL FOR FESTIVAL ZOMBIES!**

The 2010 International Horror & Sci-Fi Film Festival is creeping up on us! The festival takes place at the MADCAP Theatres (Formerly Harkins Centerpoint) from October 14th -- October 17th. We can't capture our audience without the help of our amazing Festival Zombies. In exchange for a commitment of at least **Sixteen (16) hours**, Festival Zombies will receive a festival t-shirt and a full festival pass (excludes the opening night screening). In addition to the various positions you can help out with during the festival, there will also be pre-festival volunteer opportunities.

We're putting a shift schedule together now and will be starting our Festival Zombie Orientations soon. Those of you who have volunteered with us before will not be required to attend an Orientation (Online Scheduling will be available), however if you will be transforming yourself into a Festival Zombie for the first time this year, you will need to attend an orientation. The One (1) hour spent at orientation will be credited to your Festival Commitment.

We've scheduled Two (2) Festival Zombie Orientations to go over the specifics and answer any questions you may have. This is also an opportunity to sign up for the shifts you'd like to work.

Orientations last about an hour and will take place at the Phoenix Film Foundation offices located in the Metro Arts Institute, 1700 N. 7th Ave Suite 250. The building is on the NW corner of 7th Avenue and McDowell.

**Orientations will be held the following Saturdays:**

- \* September 25, 2010 at Noon (12:00PM)
- \* October 9, 2010 at Noon (12:00PM)

Please email [volunteer@phxfilm.com](mailto:volunteer@phxfilm.com) to reserve a space on the date you'd like to attend or if you have any questions. For those of you who've already emailed to reserve a date, there's no need to send another request. We'll see you at orientation.
